## DETROIT PISTONS

## Chrysler Technology makes Made in America mean something again.

From the time it re-introduced the convertible, the LeBaron Series has caught the competition sleeping. This year is no exception.

For 1986, the LeBarons are re-designed with gracefully sculpted new lines. They give you more standard features than Olds Cutlass Ciera. And their power has been enhanced by two engine options: a fuel injected water cooled turbo and Chrysler's new 2.5-liter engine. You'll appreciate their extra surge every time you accelerate, pass with confidence and cruise effortlessly.

The LeBaron is America's only convertible built from start to finish entirely in the manufac-

turer's own factory. The integral strength of the car, the luxury of its interior, the secure handling of its front-wheel drive and its quality from top to bottom are all the creation and the pride of Chrysler technology. And it's backed by Chrysler's 5-year or 50,000-mile Protection Plan.\* It's understandable why LeBaron is America's best selling convertible.†

Chrysler's commitment to make Made in America mean something again is beautifully evident in the 1986 LeBarons. To buy or lease a LeBaron, visit your Chrysler-Plymouth dealer.

**THE COMPETITION IS GOOD. WE HAD TO BE BETTER.**

## William Davidson Managing Partner

The Detroit Pistons' rise to one of the top franchises in the National Basketball Association can be directly attributed to Managing Partner William Davidson. Davidson, who knows what it takes to run a successful business, has taken his knowledge of business and applied it to the Detroit Pistons. Never in the history of the franchise has there been more optimistic outlook on the prospects of an outstanding Detroit Pistons' future.

Davidson acquired the Detroit Pistons in 1974 from the late Fred Zollner, the man who founded the team in Fort Wayne in the 1940s and moved the franchise to Detroit in 1957-58. Now, under the direction of Davidson, the organization's future has never looked brighter.

Interested in a wide variety of sports, Davidson is one of the most knowledgeable heads of an NBA franchise. He has studied the talents and abilities of players and coaches in the league and has some very astute observations.

The Pistons' majority owner likes success and has known it in his business interests. Educated in Business and Law, Davidson received a Bachelor's Degree in Business Administration at Michigan and earned a Juris Doctor's Degree from Wayne State University.

After three years, Davidson gave up his law practice to take over a wholesale drug company, rescued it from bankruptcy and turned it around in three years. Then, he took over a surgical supply company which was on the verge of bankruptcy and saved it as well. The next step was to take Guardian Glass Company, the family business, and turn it around in two years by paying off all debts and heading it on a profitable growth path which the company enjoys today. Guardian Industries is the flagship of his business interests.

Davidson hopes his previous track record will help pave the way for the Pistons. The success he has enjoyed has come from a proven talent for hiring competent managers and placing the responsibility with them. That is the same formula he is using with the Detroit Pistons.

The athletic interests of Davidson date back many years and have continued alongside his business career. He was a high school and college trackman and played freshman football at Michigan, then club football in the Navy during World War II. An active squash and tennis player today, he is also an accomplished table tennis player. He is active in community and charitable affairs as well. His management talents are continually on display in NBA circles where he is active on the player relations and finance committees and he was a member of the committee which selected former NBA Commissioner Lawrence O'Brien in 1975. He can usually be found sitting courtside at most Pistons' home games.

The Detroit Pistons ownership group includes Legal Counsel Oscar Feldman and Advisory Board Members Warren Coville, Ted Ewald, Milt Dresner, Bud Gerson, Dorothy Gerson, David Mondry, Eugene Mondry, Ann Newman, Herb Tyner and William Wetsman.

## Jack McCloskey General Manager

When the Detroit Pistons needed an astute basketball mind to direct the on-court fortunes of the club, Managing Partner William M. Davidson appointed NBA veteran Jack McCloskey as General Manager December 11, 1979.

At the time of the announcement of McCloskey's joining the Pistons, Davidson called the addition "a positive step in the building of our franchise to an NBA Championship level. Jack came highly recommended to us for his knowledge of the game, its personnel and NBA matters." This recommendation proved correct as he was recognized by his peers during the 1981-82 season when he tied for the runnerup slot behind ex-Piston center Bob Ferry in the *Sporting News* Executive of the Year balloting.

McCloskey's duties include authority over all basketball-playing aspects of the Pistons organization including coaching, player personnel, all scouting and trades.

A native of Mahanoy City, PA, McCloskey came to the Pistons from the Indiana Pacers where he served as an assistant to Head Coach Bob Leonard during the 1979-80 season. Previously, he assisted Jerry West, now the General Manager of the Los Angeles Lakers, for three seasons.

Upon joining the Pistons, McCloskey, a 1948 graduate of the University of Pennsylvania, had 23 years of coaching experience behind him. During his playing days, he was an acknowledged all-around athlete, playing basketball and football at Penn, plus eight years in the American and Eastern Basketball Leagues. His career as a player also includes a brief stint in the NBA and four years of professional baseball in the Philadelphia A's organization. McCloskey and diminutive guard Charlie Criss rank as the Eastern League's only two-time MVPs. His Eastern League teammates included the Pistons' current Director of Scouting, Stan Novak, and Portland Head Coach Jack Ramsay.

Much of his coaching days included taking over situations which were on the downside looking up and getting them moving again, an accomplishment the energetic Irishman has a knack of doing.

It was after a highly successful high school coaching career that McCloskey returned to Penn in 1956, inheriting a team that went 7-19, then 13-12 and 12-14 before seven straight winning seasons with Ivy League first-division finishes annually. In his final season, McCloskey led the 1965-66 Penn team to a 19-6 campaign, the most wins since 1954-55, capturing the Ivy League Title. His teams were 87-53 in Ivy League play and won the Philadelphia Big Five Title in 1963 on their way to an overall 146-105 mark in 10 seasons.

McCloskey's next stop was Wake Forest, where he transformed the lowly Deacons into an Atlantic Coast Conference contender. After a 14-39 mark his first two years, he followed with four successful seasons in the rugged ACC while compiling a 56-50 slate. His assistants were Billy Packer and the late Neil Johnston, former NBA scoring ace of the old Warriors.

His next chore was to take over the expansion Portland Trailblazers in 1972-73 for two painful building seasons. The Pacific Division team was an eventual NBA Titlist. In his tenure with the Lakers, he served as offensive coordinator for two seasons and defensive coordinator for a year as the Lakers bounced back from two losing seasons with three winning campaigns.

Jack and wife Leslie make their home in West Bloomfield. He enjoys tennis, swimming, fishing and golf. He was a September, 1981, inductee into the Jerry Wolman Chapter of the Pennsylvania Sports Hall of Fame.

## Chuck Daly Head Coach

In just two seasons, head coach Chuck Daly is the winningest coach in the history of the franchise. His .573 winning ratio easily places him first on the Pistons' all-time coaches' list.

Daly's two-year record speaks for itself: two consecutive playoff appearances, two consecutive winning seasons for the first time in club history, including the second-most wins in a single season for the Pistons.

In his first season, 1983-84, Daly finished second in the balloting for NBA Coach of the Year honors, when he improved the Pistons' winning record by 12 games and had the Pistons in the playoffs for the first time in seven seasons. In '83-'84, the Pistons recorded a 49-33 mark, second-most victories ever for a Pistons' team.

Last season, after having to deal with a rash of injuries, Daly directed the Pistons to a 46-36 record. In the playoffs, however, a healthy Pistons' squad swept the New Jersey Nets, 3-0, in the first round of the playoffs, before losing to the Boston Celtics, 4-2.

Daly became the Pistons' head coach on May 17, 1983, and said his first goal was to get the team into the playoffs. He now has accomplished that goal in each of the first two seasons.

Prior to becoming the Pistons' head coach, Daly spent four-plus seasons as an assistant to head coach Billy Cunningham and the NBA Champion Philadelphia 76ers. The Sixers were 236-104 in regular-season play during those four-plus years, winning two division titles and finishing second twice. The Sixers also logged a 32-21 playoff record in the four seasons before he departed for the Cleveland Cavaliers' head coaching position. Daly was regarded by the Sixers as especially adept at setting up offenses and defenses for various opponents.

In Daly's six seasons (1971-77) as the head coach at the University of Pennsylvania, his teams won four Ivy League titles and were runners-up twice. Penn won three Big Five championships outright and tied for another under Daly's guidance, while compiling an overall record of 125-38 (.744 percentage) and won 20 of 25 Big Five games (.800 percentage). In his first season at Penn, he led the Quakers to a 25-3 record, a number three ranking nationally and first in the Eastern Collegiate Athletic Conference (ECAC). Daly led Penn to more NCAA berths and Big Five titles than any other head coach at Penn.

Daly was the head coach at Boston College for two seasons with a 26-26 record from 1969-71. He had served as an assistant at Duke for seven years (1963-69), first as the freshman coach (2 years) and four years as the varsity assistant coach.

A graduate of Bloomsburg (PA) State, after starting his collegiate career at St. Bonaventure, he earned his Master's Degree at Penn State and began his coaching career at Punxsutawney High School.

Daly, a native of Kane, PA, who makes his permanent home in West Bloomfield, said, "I am really excited about this Detroit Pistons team. I think it is a team of great potential. It has youth on its side. It wants to advance to a playoff situation."

Daly has been in playoff situations before, and knows what it takes to get a team there. His knowledge can only enhance the Pistons' chances.

## Dick Harter

### Assistant Coach

The best way to describe Pistons assistant coach Dick Harter lies in one word — winner. Over the past two seasons he has helped bring the same results to the Pistons.

Harter has brought tremendous success to every program that he has been involved in during his coaching career. His winning ways began in 1966 when he coached Ryder College to a 16-9 record. Harter then moved on to the head coaching spot at the University of Pennsylvania from 1967-71. During that span, Penn posted an overall mark of 88-44, including a 53-3 record in his final two seasons. In 1971, Penn won all of its 28 regular-season games and finished the season ranked 3rd in the country.

In 1972, Harter began a seven-year stint at the University of Oregon, compiling a 132-80 record. The impressive fact about this successful mark was that the Oregon basketball team had played at a mediocre pace since the 1920s. That wasn't the only excitement that Harter generated while coaching the Ducks. Harter's Oregon teams defeated the John Wooden-coached UCLA teams four times. One of those victories, a 64-45 thrashing, snapped UCLA's 98-game home court winning streak at Pauley Pavilion.

From 1979-83, Harter coached Penn State to a five-season mark of 79-61, including four consecutive winning seasons. Harter's overall coaching record stands at a sterling 315-194 (62%).

Harter has been invaluable in working with head coach Chuck Daly over the past two seasons. In his first year, Harter helped the Pistons to the second-most victories in the history of the franchise (49), then followed that with 46 victories last season and two consecutive post season playoff appearances. The two playoff appearances marked the first time Detroit was in the playoffs since 1976-77. Also, the consecutive winning seasons are the first in Pistons' history.

## Stan Novak

### Director of Scouting

With over 35 years of pro basketball experience backing him up, Stan Novak enters his fifth season as the Pistons' Director of Scouting.

Stan's knowledge of basketball, along with his second-to-none ability to assess talent, has helped build the Pistons into one of the NBA's finest teams. Though Stan is an integral cog in the Pistons' system, he is not often seen around the Silverdome. Novak spends most of the year traveling the country (and sometimes, the world) scouting college games and evaluating potential pro prospects. He is also actively involved in assisting with the Pistons' Rookie-Free Agent Camp and Pre-Season Training Camp.

Novak's extensive basketball background includes 31 years as a professional basketball coach in the Continental Basketball Association, and its predecessor, the Eastern League. He began as a player/coach for Sunbury in 1949. His teammates included Pistons General Manager Jack McCloskey and Portland Trailblazers Coach Jack Ramsay. Prior to joining the Pistons in 1980, Novak coached in Trenton, Wilkes-Barre, Scranton, Allentown and, most recently, Lancaster of the CBA. He has been selected Coach of the Year several times, and in 1980-81 had the CBA Guide dedicated to him.

Novak also coached high school basketball for 18 years at Springfield Township High School in Montgomery County. While at Springfield, Novak won 85 percent of his games, before becoming a middle school principal.

Philadelphia-born and educated, Novak graduated from West Philadelphia HS and the University of Pennsylvania, where he was captain of the basketball team.

## Will Robinson

### Administrative Assistant to the General Manager

Will Robinson has dedicated his life to the sport of basketball. Recently, the game has been returning the favor as the Robinson legacy continues.

In the spring of 1982, Will was inducted into the Michigan Sports Hall of Fame, marking the supreme honor in the state where he enjoyed the majority of his coaching success. That success has continued during his years with the Pistons where he currently is the team's Director of Community Relations and the Administrative Assistant to General Manager Jack McCloskey. His duties include scouting, special assignments and the Pistons' Training Camp.

The list of names of the athletes who played for Robinson reads like a Who's Who in sports. His teams were usually tagged with the title "Champion".

Robinson's Detroit Miller High School team, paced by the great Sammy Gee, won the city championship over St. Joseph's High School in 1947, drawing 16,249 to Olympia Stadium, a State of Michigan attendance mark until the Pistons moved to the Pontiac Silverdome in 1978.

When Robinson moved to Detroit Pershing High School, the name may have changed, but the results were the same as the teams continued rolling up championships while winning at an 85 percent clip.

In 1963, Pershing and the PSL returned to state tournament play, and that team went to the final four of the state tournament, led by Mel Daniels (former ABA center), Ted Sizemore (major league baseball) and Willie Iverson (ABL Miami Floridians).

One of the strongest high school basketball teams ever assembled played for Robinson in the 1967 season. The five all later played in professional sports. Spencer Haywood and Ralph Simpson (both NBA and ABA), Glen Doughty and Paul Seals (pro football) and Marvin Lane (major league baseball) won the State Championship.

The Robinson name had been recognized nationally, and Illinois State Athletic Director, Milt Weisbecker, gave the coach a chance at the big-time collegiate game. Robinson became the first major college black coach and recorded five consecutive winning seasons. Among his standouts were All-Pro guard Doug Collins, one of the many Olympians Robinson produced, and Bubbles Hawkins, who later played guard with the New Jersey Nets.

There have been other standouts like Wayne State all-time great Charlie Primas, Baltimore Colt All-Pro Big Daddy Lipscomb, Wayne State VP Noah Brown, Olympians Lorenzo Wright, Charley Fonville and political advisor Ofield Dukes. The athletic field was not the only place where Robinson was producing great people. He is just as proud of the 25 Detroit police officers who played for him, the college grads with PhD's attached to their names and the sons of the players who are now the headline-makers.

Robinson's induction into the Michigan Sports Hall of Fame marked the fifth such honor bestowed him. The others include: The Michigan High School Coaches' Hall of Fame, The West Virginia State Hall of Fame, The Illinois State Hall of Fame and the Dapper Dan Hall of Fame.

Robinson, who makes his home in Detroit, has one son, William Jr., the Associate Director of Admissions at Oakland University.

## Mike Abdenour Trainer

Mike Abdenour, a Detroit native, begins his tenth season as Pistons Head Trainer. Certified by the National Athletic Trainers' Association, the 33-year-old Abdenour holds a Bachelor's Degree from Wayne State and is in the process of completing his Master's Degree.

Abdenour's experience as a trainer runs deep. He served as student trainer for four years at Detroit Denby High School and two years, while a student, at Macomb County Community College. Mike broke in with the Pistons as Bud Shockro's assistant, after serving a three-year apprenticeship at Wayne State under long-time Pistons consultant, Bob White.

Mike's responsibilities make his job as head trainer a year-round occupation. Besides overseeing off-season conditioning and training programs, Abdenour prepares all team travel arrangements, including reserving plane flights, securing hotel rooms and ground transportation for road trips.

Abdenour, working in conjunction with Team Physician Dr. Benjamin Paolucci, and a consulting staff, provides the Pistons with a top-rated sports medicine team, dedicated to producing the best-conditioned team possible.

Although chosen to accompany a Players' Association trip to China and serving as Head Trainer for the Eastern Conference in the 1979 All-Star Game at the Silverdome, Abdenour feels his career won't be complete until he wears an NBA Championship ring.

## Dr. Benjamin Paolucci Team Physician

Dr. Benjamin Paolucci begins his 14th season as Team Physician for the Detroit Pistons. He is responsible for the diagnosis and prescription of treatment for all of the players, while working with Orthopedic Consultant Dr. Gerald O'Connor.

A practicing General Surgeon since 1968, Paolucci completed medical school at Chicago College of Osteopathic Medicine in 1964. Paolucci was a standout football player at Wayne State University, where he lettered four times (1954-57) while captaining the team his final two years. After completing his undergraduate at WSU, Paolucci went on to play pro football with the Detroit Lions in 1958-59. Married (Jeanne), Paolucci is the father of five.

## Jerry Dziedzic Equipment Manager

Jerry Dziedzic is in his 18th season as Equipment Manager of the Pistons. He's a graduate of Notre Dame and employed full-time as a Wayne County Circuit Court Clerk. Not only is he in charge of Pistons athletic equipment in cooperation with the trainer and coaching staff, but also the distribution of it. He coordinates the Pistons team of ballboys throughout their extensive game night duties in both the home and visitors' locker rooms, plus on the playing floor. Married, he is the father of two children.

## Thomas S. Wilson Executive Director

Thomas S. Wilson has been the Executive Director of the Detroit Pistons for the past seven years. During this time, he has directed the Pistons organization to their current status as one of the most successfully marketed teams in basketball.

As the chief executive officer of the club, Wilson oversees all the administrative, marketing, broadcasting and promotional efforts of the organization.

Wilson is a graduate of Wayne State University and spent several years acting in films and television shows. An inveterate runner, Wilson has participated in two Free Press Marathons where he boasts of finishing "the same day as the winner."

Wilson formerly worked with the Los Angeles Lakers and Los Angeles Kings. He will be serving as the color commentator on this year's P.A.S.S. Pistons broadcasts for the second consecutive season.

"We are blessed with the finest, most dedicated front office and marketing people in the NBA," says Wilson, "most of whom have been with us through the lean years. I look forward to sharing our success with them."

Wilson, a native Detroiter, grew up attending Pistons games and feels very fortunate to be in his position with the organization. "It's very satisfying to be involved in making decisions that affect the franchise's direction. It's rewarding to see the fans enjoy our success — they deserve it!"

## Harry E. Hutt Director of Marketing and Broadcasting

Harry E. Hutt, Director of Marketing & Broadcasting, begins his eighth season with the Pistons. He joined the Pistons in April, 1978, as Director of Promotions and Special Events. In 1979, he assumed his current position, while helping direct the successful launching of Pistons-produced television broadcasts on Channel 50.

Two years later, Hutt initiated the Pistons Radio Network. Currently, he oversees the Pistons' radio and television broadcasting efforts, including production, advertising, sales and the actual producing and directing of Pistons television and radio. He is also involved in a number of Pistons marketing projects.

Prior to joining the Pistons, Hutt was Director of Promotions and Group Sales with the Buffalo Braves for one year. While with the Braves, he was also responsible for pre-game activities, halftime shows, special events and game operations.

Hutt earned his Bachelor's Degree from Roberts Wesleyan College and later attained his Master's Degree from the University of Buffalo. Formerly an Assistant Basketball Coach at Roberts Wesleyan College, Spring Arbor (MI) College and the University of Buffalo, he was also a college Sports Information Director. Hutt was listed in "Who's Who in the Midwest" in 1984. Hutt and his wife Nancy have three daughters: Shawna, Allyson and Vicki.

# Changes In NBA Playoff Structure

The NBA's Board of Governors, at its annual summer meeting in June of 1983, adopted a resolution that makes two major changes in the NBA's playoff structure beginning with the 1983-84 season:

1. Sixteen teams shall qualify for the playoffs. There shall be eight teams from each conference, consisting of the two division champions and the six other teams in each conference with the best winning percentage during the regular season.

2. The first round of the playoffs shall be a best-of-five series (instead of best-of-three) with all succeeding rounds, including the NBA World Championship Series, being best-of-seven. All teams will participate in the first round; byes that formerly went to division winners have been eliminated.

Following are the playoff pairings:

## Western Conference

## Eastern Conference

Note: Team 1 in each conference is the division winner with the better record, Team 2 is the other division winner and Teams 3-8 are ranked according to their regular-season winning percentage.

## Your car is only as good as its last repair.

You rely on your car. So when a car repair isn't done right, you lose more than money.

Next time, see a Shell Auto Care Dealer, where "it's fixed or it's free." He wants to fix your car right the first time, because if it's not fixed right, he has only two options: fix it again at his expense or give back your money. That's a tough warranty.

Shell Auto Care Dealers specialize in frequently needed car repairs: tune-ups, wheel alignments, brakes and air conditioning. Each Shell Auto Care Dealer offers:

1. A written estimate of the cost of the job to be done. Work won't start until you approve it.
2. Certified mechanics and the latest equipment necessary to do these repairs and do them right.
3. Old parts returned—simple proof that they were replaced.
4. The dealer's personal written warranty that guarantees the work for 90 days or 4000 miles.

At Shell Auto Care, it's fixed or it's free.

Through the 1984-85 season the Pistons have played 2,132 regular season games in Detroit. The composite record is 915-1258, a .421 percentage. The Pistons finished second in the Central Division with a 46-36 record last season. The Pistons moved to the Central Division in 1978-79.

## **ARENAS —**

Prior to moving to the Silverdome in 1978, the Pistons had played in four arenas in Detroit. From the 1957-58 to the 1960-61 seasons they played their games at Olympia Stadium and the University of Detroit Fieldhouse. On March 12, 1960 the Pistons scheduled a playoff game at the Grosse Pointe High School gym when no other facility was available. From 1961-62 through 1977-78, the Pistons called Cobo Arena home. On April 27, 1984 the Pistons played game 5 of the playoffs in Joe Louis Arena. After a collapse of the Silverdome roof, the Pistons finished the season at Joe Louis Arena (one game at Cobo).

## **ATTENDANCE —**

Pistons total attendance over 28 regular seasons is 7,408,235 while in Detroit. Attendance at Cobo Arena was 3,486,937. Attendance at the Pontiac Silverdome in 1978-79's first season was a then Pistons season record 389,936, an average of 9,510 per game. Last season's 691,540 (16,867) broke franchise records, led the NBA, including the all-time record crowd of 43,816.

# Pistons Media Information

**GENERAL** As the season progresses, additional information is available by contacting Pistons Public Relations Director Matt Dobek through the Pistons Offices (313-338-4500) or at home (313-271-1908). The Pistons are anxious to receive fair and accurate coverage by the media and as a result staff members will strive to meet reasonable requests.

**CREDENTIALS** Official Pistons media passes are required for admission to Silverdome games and for admission to media facilities inside the Silverdome. The only exception to this rule is that persons with official NBA or Pro Basketball Writers passes will be admitted to the building. These are working passes, and they are intended for working media persons only. Credentials information is available by contacting Matt Dobek, and requests must be made prior to noon on game day.

**MEDIA GATE** Media passes will be honored only at the Media Gate located at the East Gate of the Silverdome. Again, only an official Pistons media pass or an official NBA media pass will be recognized.

**MEDIA ROOM** The Pistons Media Room is located in the South tunnel. It is open one and one-half hours prior to tipoff. A meal and beverages are provided for working members of the media, and admission is by official Pistons passes. Telephones and a work area are available.

**PRESS ROW** Seating at the Pistons court-side press row is absolutely limited to media persons covering that particular game. Space is by reservation prior to noon game day. There will be no exceptions. Others will be accommodated in the Press Overflow on a space available basis.

**SERVICES** Prior to game time, up-to-date rosters, statistics and game notes are made available to working members of the media in the Press Room. During the game, quarterly play-by-play accounts will be provided as will halftime and final game statistics. Quick statistics are distributed during the game. SportsComm arrangements can be made through Arnie Rautbort (313-851-0113).

**RADIO AND TELEVISION** Accredited radio and television crews will be seated court-side in the Silverdome. Call-letter banners can be displayed at court-side. If statisticians are required, arrangements must be made 24 hours in advance through the Pistons Office, and it is the responsibility of the visiting broadcasters to arrange payment. In accordance with NBA policy, payment must be in cash; the minimum is \$15. The Pistons P.R. Office will assist with arranging interviews for tape or live broadcasts.

**TELEVISION CAMERA LOCATIONS** In the Silverdome, camera locations are atop the West stands and at end courts opposite the team benches. No other camera locations are available without permission of the Pistons staff.

**PRESS PHOTOGRAPHERS** Accredited photographers will be permitted court-side in the Silverdome. Credentials should be requested through the Pistons P.R. Office, and are available on a game-to-game basis. Official Pistons photographers passes allow admission to the Silverdome, the Press Room and to the locker rooms. The recommended film speed under all conditions is ASA 400. Black & White (Kodak Tri — X), Color Negative Film (for prints) (Kodacolor 400), Color Transparency Film (for slides) (Ektachrome 400). When photographing events on the field (lighting tends to be less in the stands), the recommended exposure is: 1/125 of a second at F 5.6 for evening or night-time events. Lighting inside the Silverdome matches natural sunlight very closely. When other types of color films are used, insure that the film is the Daylight type.

**CINEMATOGRAPHERS** Credentials for cinematographers should be requested through the Pistons P.R. Office, and are available on a game-to-game basis. With credentials, cinematographers will be allowed court-side.

# Pistons Radio and Television

Veteran announcer George Blaha begins his 10th season as the "Voice of the Pistons," doing the Pistons play-by-play announcing for all the Pistons' radio and the 21 simulcasted games.

Blaha will do all 82 Pistons' regular-season games as well as the eight pre-season games and any playoff games on Pistons' Radio. This season the Pistons have moved to WWJ (950 AM) for the radio broadcasts. WKBD-TV 50 will again be the home of the Pistons on the television side.

Detroit born and Marshalltown (IA) and Grayling (MI) raised, Blaha attended Campion Jesuit HS in Praired du Chien (WI). From there, Blaha went on to the University of Notre Dame and graduated with a BA in Economics. Blaha received his Master's Degree from the University of Michigan in Business Administration.

In broadcasting since 1969, Blaha has hosted two popular Detroit sportstalk shows. He was voted first-place honors nationally by UPI in 1981 in Las Vegas. George also is a familiar voice to college football fans, having been the voice of the Michigan State Spartans on WJIM since 1971.

Blaha, who makes his year-round home in Bloomfield Hills, is on the Board of Directors of the Metropolitan Detroit Youth Foundation, benefitting intercity youth.

Joining Blaha for the 21 games on WKBD-TV 50, is the "Greatest Piston Ever" as voted by the fans — David Bing. In his illustrious 12-year career, Dave was named the league's Rookie-of-the-Year in 1967, was selected as NBA All-Star First Team in 1968 and 1971, was the league's scoring leader in 1968 as well as being named the All-Star Game MVP in 1976.

Bing is President of Bing Steel Company, located in Detroit. This past year, he was honored in Washington by President Reagan as Minority Business Man-of-the-Year. Most of his days after hanging up his sneakers have been devoted to making his company very successful.

Dave attended Spingarn High School in Washington D.C., before moving on to Syracuse University, where he became that school's all-time leading scorer. Bing was drafted by Detroit in the first round of the 1966 NBA Draft.
